

2009 Grants

In 2009, the foundation awarded fifteen grants through its Science, Technology, Engineering, and Mathematics Education initiative. The foundation also awarded grants to education programs in a range of specialty areas and sought to improve learning engagement, high school graduation, and college/career readiness for underserved and low-income populations in our two geographic areas. Technical assistance and in-kind support in organizational effectiveness, marketing, and fund development were also provided to some of these and other organizations who have previously received cash grants from the foundation.

[American Heart Association](#)

816 South Figueroa Street, Los Angeles, CA 90017

\$10,000 in program support for the Youth In Action program, collaborating on-site with two Los Angeles Green Dot "Animo" high schools. Youth In Action provides cross-content curricula in persuasive argument, the California legislative process and civics, heart health & nutrition principles, and a learning adventure to the State Capitol in Sacramento.

[Association of Small Foundations](#)

1720 N Street NW, Washington, DC 20036

\$5,000 in program support for their Impact and Evaluation Initiative, providing comprehensive education programs to over 3000 member grantmakers, to elevate the impact of grantmaking in communities across the country.

[Bookends](#)

6520 Platt Avenue #331, West Hills, CA 91307

\$5,000 awarded as a challenge grant which Bookends advertised on the organization's website, emails and evening event. Twenty-nine individual donors rose to the challenge and supported Bookends through donations of \$100 or more, totaling over \$5000, which the foundation matched dollar for dollar.

[Children Uniting Nations](#)

6380 Wilshire Blvd., Suite 1006, Los Angeles, CA 90048

\$10,000 in program support for the Academic (School-Based) Mentor Center Program, providing services to students with a focus on academic support while also building self-esteem, life skills, and confidence to foster youth in the Los Angeles Unified School District.

[Children's Lifesaving Foundation](#)

1112 Montana Avenue, Suite #534, Santa Monica, CA 90403

\$5,000 issued as a challenge grant, to promote fundraising. The foundation provided \$5,000 as a dollar for dollar match for new donations solicited pursuant to the challenge.

[Citizen Schools, Inc.](#)

400 Duane Street, Room 125, Redwood City, CA 94062

\$10,000 in program support and \$5,000 challenge grant for Santa Clara County S.T.E.M. Apprenticeships, providing extended learning time and educational opportunities for middle school students in Santa Clara County.

[Fresh Lifelines for Youth](#)

120 West Mission Street, San Jose, CA 95110

\$15,000 in program support for the Leadership Training Program, to prepare at-risk youth in the juvenile justice system for a successful transition into adulthood by empowering them to become positive and socially responsible citizens who help to improve their communities.

[Heal the Bay](#)

1444 9th Street, Santa Monica, CA 90401

\$5,000 in program support for their Youth Environmental Education Program, providing environmental education to students and families.

[Hospice of the Valley](#)

4850 Union Avenue, San Jose, CA 95124

\$2,000 as matching funds to help the organization meet a challenge grant issued by the Sobrato Foundation. Funds were designated for the Children's Bereavement Program. This grant was nominated by the Fox Foundation Junior Board. For more information see our "In The News" page.

[Industry Initiatives for Science & Math Education \(IISME\)](#)

5301 Stevens Creek Boulevard, P.O. Box 58059; MS-WO, Santa Clara, CA 95052

\$15,000 in program support for Revitalizing and Retaining S.T.E.M. Teachers in Silicon Valley's High Need Schools, providing professional development opportunities for teachers in Silicon Valley.

[Iridescent](#)

10810 Massachusetts Ave, #5, Los Angeles, CA 90024

\$10,000 in program support for the Family Science Project, a cooperative learning model for parents and students in S.T.E.M. subjects.

[Joint Venture Silicon Valley Network](#)

60 S. Market St., Suite 1000, San Jose, CA 95113

\$10,000 challenge grant as a fundraising tool for their Math Matters program, one of the six projects of the Alliance for Teaching Initiative that was developed to establish a comprehensive system of professional development for teachers of mathematics in grades six through eight, providing teachers access to specific training in math subject matter and pedagogy and on-going support provided by coaching and professional learning communities.

[Level Playing Field Institute](#)

543 Howard Street, 5th Floor, San Francisco, CA 94105

\$7,500 in program support for the Summer Math and Science Honors Academy, helping low-income, high school students of color in the Bay Area to graduate high school and access higher education in science, technology, engineering, and mathematics (S.T.E.M.) fields.

[Los Angeles Education Partnership](#)

1055 W. Seventh Street #200, Los Angeles, CA 90017

\$10,000 in program support for the Science and Math Initiative, offering wide-ranging teacher professional development in science and math that will increase educator effectiveness and student achievement in these subjects.

[Mothers' Club of Pasadena](#)

980 N. Fair Oaks Avenue, Pasadena, CA 91103

\$10,000 issued as a 1:2 challenge grant, to help with fundraising among individual donors. As a result of marketing the challenge, fifteen donors responded with gifts totaling \$23,600.

[No Limits for Deaf and Hard of Hearing Children](#)

9801 Washington Blvd., Second Floor, Culver City, CA 902329

\$2,000 to support the No Limits Theater Group as it disseminates its innovative educational programming and theater production kits, including the recent original theater production of "Timeless Journey" by oral deaf children at the Kennedy Center, June 20, 2009. Replication kits are available from No Limits. This grant was nominated through the Frieda C. Fox Foundation's Junior Board.

[Project Tomorrow](#)

15707 Rockfield Blvd., Suite 330, Irvine, CA 92618

\$15,000 in program support for YouthTEACH2Learn Los Angeles Expansion, an innovative S.T.E.M. career exploration program that develops job-ready skills in high school students and provides a wrap-around support network for their career and college planning efforts.

[Reading to Kids](#)

1600 Sawtelle Boulevard, Suite 210, Los Angeles, CA 90025

\$2,000 to support the Reading Program and book donation needs of Reading To Kids. This grant was nominated through the Frieda C. Fox Family Foundation's Junior Board Project.

Resource Area for Teaching (RAFT)

1355 Ridder Park Drive, San Jose, CA 95131

\$15,000 in program support for Learning by Doing: Training Teachers How to Engage Students in S.T.E.M. Subjects for Orchard Elementary (K-8) to provide a comprehensive program of S.T.E.M. education services and support.

Silicon Valley Education Foundation

1400 Parkmoor, Suite 200, San Jose, CA 95126

\$5,000 in program support for Stepping Up to Algebra, a program that provides supplemental instruction in algebra readiness for rising 8th graders.

Society for Women Engineers

Get SET Program, P.O. Box 61333, Sunnyvale, CA 94088

\$10,000 in program support for Summer Week 2009, a weeklong science and engineering camp for girls in 8th - 12th grades.

Stanford University – Office of Science Outreach

SUH G312, Mail Code 5208, Stanford, CA 94305-5208

\$15,000 in program support for the Engaging Under-Represented Minority Youth in Science and Engineering Research program, which inspires and prepares bright, low-income underrepresented first generation college-bound students in Santa Clara and San Mateo Counties to pursue a S.T.E.M. course of study after high school through a 7-week research internship experience.

The Tech Museum

201 South Market Street, San Jose, CA 95113

\$10,000 in program support for the Year Round Second Classroom program, which enables students in grades 2-12 to increase their S.T.E.M. proficiency through science labs, interactive museum exhibits, educational films, math tutoring, summer classes, and Tech Challenge.

Third Street Community Center

160 North Third Street, San Jose, CA 95112

\$10,000 to support the Robotics Program, serving local children and families with out-of-school learning opportunities by introducing 5th - 10th grade youth to careers in engineering, science and technology by pairing them with Tech Challenge Mentors, engineering students from San Jose State University, Stanford University, and professionals employed

in Silicon Valley high tech companies.

[UCLA Foundation School Management Program](#)

4223 Mathematical Sciences Building, Los Angeles, CA 90095

\$5,000 in program support for S. El Monte High School providing science teachers with research-based processes to build collaborative professional learning communities, examine student work, and enhance pedagogical practices that foster student academic success.

[Venice Arts in Neighborhoods](#)

610 California Ave, Venice, CA 90291

\$10,000 in program support for the Art Mentoring Program to offer standards-based, sequential workshops for youth in photography, filmmaking, and multi-media and experiential arts learning for underserved children.

2009 Grants

In 2009, the foundation awarded fifteen grants through its Science, Technology, Engineering, and Mathematics Education initiative. The foundation also awarded grants to education programs in a range of specialty areas and sought to improve learning engagement, high school graduation, and college/career readiness for underserved and low-income populations in our two geographic areas. Technical assistance and in-kind support in organizational effectiveness, marketing, and fund development were also provided to some of these and other organizations who have previously received cash grants from the foundation.

[American Heart Association](#)

816 South Figueroa Street, Los Angeles, CA 90017

\$10,000 in program support for the Youth In Action program, collaborating on-site with two Los Angeles Green Dot "Animo" high schools. Youth In Action provides cross-content curricula in persuasive argument, the California legislative process and civics, heart health & nutrition principles, and a learning adventure to the State Capitol in Sacramento.

[Association of Small Foundations](#)

1720 N Street NW, Washington, DC 20036

\$5,000 in program support for their Impact and Evaluation Initiative, providing comprehensive education programs to over 3000 member grantmakers, to elevate the impact of grantmaking in communities across the country.

[Bookends](#)

6520 Platt Avenue #331, West Hills, CA 91307

\$5,000 awarded as a challenge grant which Bookends advertised on the organization's website, emails and evening event. Twenty-nine individual donors rose to the challenge and supported Bookends through donations of \$100 or more, totaling over \$5000, which the foundation matched dollar for dollar.

[Children Uniting Nations](#)

6380 Wilshire Blvd., Suite 1006, Los Angeles, CA 90048

\$10,000 in program support for the Academic (School-Based) Mentor Center Program, providing services to students with a focus on academic support while also building self-esteem, life skills, and confidence to foster youth in the Los Angeles Unified School District.

[Children's Lifesaving Foundation](#)

1112 Montana Avenue, Suite #534, Santa Monica, CA 90403

\$5,000 issued as a challenge grant, to promote fundraising. The foundation provided \$5,000 as a dollar for dollar match for new donations solicited pursuant to the challenge.

[Citizen Schools, Inc.](#)

400 Duane Street, Room 125, Redwood City, CA 94062

\$10,000 in program support and \$5,000 challenge grant for Santa Clara County S.T.E.M. Apprenticeships, providing extended learning time and educational opportunities for middle school students in Santa Clara County.

Fresh Lifelines for Youth

120 West Mission Street, San Jose, CA 95110

\$15,000 in program support for the Leadership Training Program, to prepare at-risk youth in the juvenile justice system for a successful transition into adulthood by empowering them to become positive and socially responsible citizens who help to improve their communities.

Heal the Bay

1444 9th Street, Santa Monica, CA 90401

\$5,000 in program support for their Youth Environmental Education Program, providing environmental education to students and families.

Hospice of the Valley

4850 Union Avenue, San Jose, CA 95124

\$2,000 as matching funds to help the organization meet a challenge grant issued by the Sobrato Foundation. Funds were designated for the Children's Bereavement Program. This grant was nominated by the Fox Foundation Junior Board. For more information see our "In The News" page.

Industry Initiatives for Science & Math Education (IISME)

5301 Stevens Creek Boulevard, P.O. Box 58059; MS-WO, Santa Clara, CA 95052

\$15,000 in program support for Revitalizing and Retaining S.T.E.M. Teachers in Silicon Valley's High Need Schools, providing professional development opportunities for teachers in Silicon Valley.

Iridescent

10810 Massachusetts Ave, #5, Los Angeles, CA 90024

\$10,000 in program support for the Family Science Project, a cooperative learning model for parents and students in S.T.E.M. subjects.

Joint Venture Silicon Valley Network

60 S. Market St., Suite 1000, San Jose, CA 95113

\$10,000 challenge grant as a fundraising tool for their Math Matters program, one of the six projects of the Alliance for Teaching Initiative that was developed to establish a comprehensive system of professional development for teachers of mathematics in grades six through eight, providing teachers access to specific training in math subject matter and pedagogy and on-going support provided by coaching and professional learning communities.

[Industry Initiatives for Science & Math Education \(IISME\)](#)

5301 Stevens Creek Boulevard, P.O. Box 58059; MS-WO, Santa Clara, CA 95052

\$15,000 in program support for Revitalizing and Retaining S.T.E.M. Teachers in Silicon Valley's High Need Schools, providing professional development opportunities for teachers in Silicon Valley.

[Iridescent](#)

10810 Massachusetts Ave, #5, Los Angeles, CA 90024

\$10,000 in program support for the Family Science Project, a cooperative learning model for parents and students in S.T.E.M. subjects.

[Joint Venture Silicon Valley Network](#)

60 S. Market St., Suite 1000, San Jose, CA 95113

\$10,000 challenge grant as a fundraising tool for their Math Matters program, one of the six projects of the Alliance for Teaching Initiative that was developed to establish a comprehensive system of professional development for teachers of mathematics in grades six through eight, providing teachers access to specific training in math subject matter and pedagogy and on-going support provided by coaching and professional learning communities.

[Level Playing Field Institute](#)

543 Howard Street, 5th Floor, San Francisco, CA 94105

\$7,500 in program support for the Summer Math and Science Honors Academy, helping low-income, high school students of color in the Bay Area to graduate high school and access higher education in science, technology, engineering, and mathematics (S.T.E.M.) fields.

[Los Angeles Education Partnership](#)

1055 W. Seventh Street #200, Los Angeles, CA 90017

\$10,000 in program support for the Science and Math Initiative, offering wide-ranging teacher professional development in science and math that will increase educator effectiveness and student achievement in these subjects.

[Mothers' Club of Pasadena](#)

980 N. Fair Oaks Avenue, Pasadena, CA 91103

\$10,000 issued as a 1:2 challenge grant, to help with fundraising among individual donors. As a result of marketing the challenge, fifteen donors responded with gifts totaling \$23,600.

[No Limits for Deaf and Hard of Hearing Children](#)

9801 Washington Blvd., Second Floor, Culver City, CA 902329

\$2,000 to support the No Limits Theater Group as it disseminates its innovative educational programming and theater production kits, including the recent original theater production of "Timeless Journey" by oral deaf children at the Kennedy Center, June 20, 2009. Replication kits are available from No Limits. This grant was nominated through the Frieda C. Fox Foundation's Junior Board.

[Project Tomorrow](#)

15707 Rockfield Blvd., Suite 330, Irvine, CA 92618

\$15,000 in program support for YouthTEACH2Learn Los Angeles Expansion, an innovative S.T.E.M. career exploration program that develops job-ready skills in high school students and provides a wrap-around support network for their career and college planning efforts.

[Reading to Kids](#)

1600 Sawtelle Boulevard, Suite 210, Los Angeles, CA 90025

\$2,000 to support the Reading Program and book donation needs of Reading To Kids. This grant was nominated through the Frieda C. Fox Family Foundation's Junior Board Project.

Resource Area for Teaching (RAFT)

1355 Ridder Park Drive, San Jose, CA 95131

\$15,000 in program support for Learning by Doing: Training Teachers How to Engage Students in S.T.E.M. Subjects for Orchard Elementary (K-8) to provide a comprehensive program of S.T.E.M. education services and support.

Silicon Valley Education Foundation

1400 Parkmoor, Suite 200, San Jose, CA 95126

\$5,000 in program support for Stepping Up to Algebra, a program that provides supplemental instruction in algebra readiness for rising 8th graders.

Society for Women Engineers

Get SET Program, P.O. Box 61333, Sunnyvale, CA 94088

\$10,000 in program support for Summer Week 2009, a weeklong science and engineering camp for girls in 8th - 12th grades.

Stanford University – Office of Science Outreach

SUH G312, Mail Code 5208, Stanford, CA 94305-5208

\$15,000 in program support for the Engaging Under-Represented Minority Youth in Science and Engineering Research program, which inspires and prepares bright, low-income underrepresented first generation college-bound students in Santa Clara and San Mateo Counties to pursue a S.T.E.M. course of study after high school through a 7-week research internship experience.

The Tech Museum

201 South Market Street, San Jose, CA 95113

\$10,000 in program support for the Year Round Second Classroom program, which enables students in grades 2-12 to increase their S.T.E.M. proficiency through science labs, interactive museum exhibits, educational films, math tutoring, summer classes, and Tech Challenge.

Third Street Community Center

160 North Third Street, San Jose, CA 95112

\$10,000 to support the Robotics Program, serving local children and families with out-of-school learning opportunities by introducing 5th - 10th grade youth to careers in engineering, science and technology by pairing them with Tech Challenge Mentors, engineering students from San Jose State University, Stanford University, and professionals employed

in Silicon Valley high tech companies.

[UCLA Foundation School Management Program](#)

4223 Mathematical Sciences Building, Los Angeles, CA 90095

\$5,000 in program support for S. El Monte High School providing science teachers with research-based processes to build collaborative professional learning communities, examine student work, and enhance pedagogical practices that foster student academic success.

[Venice Arts in Neighborhoods](#)

610 California Ave, Venice, CA 90291

\$10,000 in program support for the Art Mentoring Program to offer standards-based, sequential workshops for youth in photography, filmmaking, and multi-media and experiential arts learning for underserved children.
