

# YOUTH PHILANTHROPY CONNECT

## How Can You Get Involved?

**Youth Philanthropy Connect (YPC)** is a youth-led, new and exciting way for youth involved in philanthropic work to connect and learn through a peer network. YPC began as a special project of the **Frieda C. Fox Family Foundation** continues to fulfill its mission statement of connecting youth philanthropists (ages 8-21) and the adults who support them to each other, program resources, and learning opportunities.

### Leadership Team Member

Our Youth Leadership Team is seeking new representation from each member of Youth Philanthropy Connect's network. The team of youth ages 12-21 provides guidance to YPC throughout the year and helps develop the year's events, both in-person and remote. Members of the Leadership Team will serve for one year terms with no term limits. YPC event attendance is strongly encouraged; partial need-based scholarships for event attendance are available for leadership team members. The Leadership Team will meet via video conference call the first Monday of each month at 6:00 p.m. PST/9:00 p.m. EST. Each Leadership Team Member is required to participate in at least eight (8) meetings per year.

### Youth Philanthropy Fellowship

YPC has re-envisioned the fellowship role to accommodate busy schedules with a focus on advising YPC strategy and professional development! The fellows provide insights to YPC staff and the Leadership Team in the overall strategy of Youth Philanthropy Connect partnering with several other fellows for a period of one year. She/he/they will work remotely using his/her/their computer with staff to gain professional development experience through fireside chats with key sector leaders, provide direction to YPC, and act as a spokesperson for YPC at various events throughout the year. She/he/they is/are required to be an undergraduate student maintaining a minimum GPA of 3.0. [Check out our current fellows, Ali, Gordon, Jamie, and Sarah.](#)
