## Thank You!!!

### ***Thank you to Mike & Khayriyyah, our YPC 2014-2015 Fellows!***

Mike and Khayriyyah both had amazing impact on YPC from leading and facilitating webinars to planning regional gatherings across the country. And, they both accomplished so much of this work from afar– working virtually for YPC! Join us on YPC [Twitter](#) & [Facebook](#) this week to share your thanks!

## Thank You 2014-2015 Leadership Team!

*Our gratitude and appreciation to our leadership team who advises all of our work.*

This [dynamic group of youth philanthropy leaders](#) from across the country has served as a sounding board for our work, our partners, and others across the field. We celebrate Samantha Murphy-Cripps and Zach Whitten who are completing their service on the Leadership Team this year.

YOUTH PHILANTHROPY CONNECT

The Seattle Foundation

NATIONAL CENTER FOR FAMILY PHILANTHROPY

Thank you to Foundant Technologies for sponsoring the Youth Giving Circle.

We are thrilled to partner with [The Seattle Foundation](#) to offer this day-long Northwest gathering as a post-conference to the [National Forum on Family Philanthropy](#). With sessions geared towards youth philanthropists engaged in or excited to learn about grantmaking ages 8-24 and the adults who guide them, attendees will be able to connect with their peers and work collaboratively in a unique learning environment.

## Announcing Keynote Speaker: Vu Le

[Vu](#) is an accomplished speaker, writer, and Executive Director of a start-up nonprofit with the mission of developing and supporting leaders of color to strengthen the capacity of communities-of-color-led nonprofits and foster collaboration between diverse communities to effect systemic change. Vu's passion to make the world better drove him into the field of nonprofit work, where he learned that we should take the work seriously, but not ourselves. He is well-known for his honest approach, irreverent sense of humor, and love of unicorns. **Check out Vu's nationally-known blog [Nonprofits with Balls!](#)**

Registration Deadline: September 24th**

## Foundation Center Partnership

**Start spreading the news!!** Here's a [one pager](#) about the project we're working on with [Foundation Center](#). One exciting part of designing a web portal is getting a lot of stakeholders to weight in, so Foundation Center convened a multinational advisory committee

comprised of youth and adults from every type of model and foundation. Thus far, the advisory committee has been having a lot of fun. Last meeting, we used a neat tool called [Noteapp](#) to brainstorm user personas for the web portal. It was a great exercise with lots of lessons learned! YPC is excited to be engaged and continue to share more as the project advances! For questions, email [youth@foundationcenter.org](mailto:youth@foundationcenter.org).
